

Discovery Outline

The Parkway Discovery course not only covers the vital doctrines of the Bible, it enables and inspires the student to begin studying the word of God themselves.

We begin with a brief history of the early church and the origins of the Holy Scriptures, followed by a study on the trinity, the attributes of God, and the origin and purpose of man. Other doctrines include the atonement, the person and work of Christ, salvation, the Holy Spirit, sin, forgiveness and hell. Other studies include baptism, communion, mentoring, tithes and offerings, church government and many more. The course is delivered in a cheerful manner with the Lord's heart for discipleship, dominion and service.

Formerly known as the Discipleship Course, Parkway Discovery has grown from six weeks to nine, now containing many new and exiting studies with practical outcomes in the life of the believer as well as the local church. Each study and optional homework is bound in a study booklet that becomes a useful reference tool for future studies. We also learn how to use other study resources like a Bible Concordance, Greek and Hebrew dictionaries, interlinear Greek Bibles, and Bible commentaries. These tools are vital for the composition of personal studies and for those called to teach small groups. Sadly in an age where so much material is available many Christians are uncertain of what they believe. And yet there has never been a time in history where this is more important.

Parkway Discovery is a great way to further our relationship with God, as well as getting to know others in the church. The course is ideal for new converts desiring to establish a solid foundation, as well as others who have recently joined us here at Parkway; all are welcome to join us for this exiting, fun time with the Lord. Parkway Discovery runs for nine weeks and is free of charge; even people who have completed advanced studies will find the material of great value.

The next course will commence on Tuesday the 27th of July and run for nine weeks from 7.30 in the guest lounge at Parkway.
